LIVING TOGETHER IN DIVERSITY - WHAT DOES IT MEAN IN ISRAEL AND GERMANY

Part 2 in Israel
09.03.2017-16.03.2017

LIVING TOGETHER IN DIVERSITY AND RESOLVING CONFLICTS - WHAT DOES IT MEAN IN ISRAEL AND GERMANY?

This seminar addresses youth leaders, out of school educators, teachers, students, etc.. in both countries. The focus will be on the question, how a peaceful living together in complex societies can be promoted with the help of pedagogical approaches, which are developed in both societies to strengthen democratic competencies and to raise an attitude of respect towards the other. Participants should not only get to know these dialog-orientated concepts theoretically, but by experience and common reflection upon personal insights. More over the opportunity to learn from each other will be given by the presentation of good practice examples of projects dealing with different cultural groups, milieus, beliefs, lifestyles, etc... The first part will be the seminar in Bad Bevensen and Berlin , the second part will be in in Israel in spring 2019 .
