# MORE THAN ONE DEMOCRACY

Train-The-Trainer-Seminar with Dr. Uki Maroshek-Klarman, Adam Institute, Israel  
08.10.2021-10.10.2021

# MORE THAN ONE DEMOCRACY

## TRAIN-THE-TRAINER-SEMINAR WITH DR. UKI MAROSHEK-KLARMAN, ADAM INSTITUTE, ISRAEL

Since the publication of the basic manual for the Betzavta democracy-learning method, Dr. Maroshek-Klarman, in collaboration with Adam staff, has expanded the basic concepts in several directions and adapted the methodology to current times. This includes educational programs/curricula as well as exploration of additional themes such as multiculturalism, feminism, sustainability, civic society, democratization of the education system, and democracy in the age of internet and globalization.

The train-the-trainer-course in English, held over the course of 3 days, will provide an overview of the methodological developments as well as practical examples and workshops. This workshop provides the unique opportunity of getting an in-depth training with the developer of the Betzavta-method. It is suitable for trainers actively working with Betzavta in Germany and internationally.

The number of participants will be limited to 20. The workshop will be led by Dr. Uki Maroshek-Klarman, founder and director of the ADAM-Institute in Jerusalem. Please note: This workshop will be held in English without translation into German. For up to five persons we offer – regarding the date of registration – a reduced fee of 235€.
